18th Annual Sackville Fall Fair: Just for the Health of it!

Planning for this year's Fall Fair, taking place September 20-23, is well underway. We've booked our musical acts for the big tent, including Eddie Chase and the Graffiti Four opening for Port Cities on Friday night, and both TRHS Band, Myelin Sheath, and Cool Water opening for the Ray Oliver Band on Saturday night.

The Midway will also be making its return to Town for the first time in three years and Family Day at the Doncaster Farm will be back again with plenty of vendors, music, kid's activities, live animals and the mechanical bull.

The Annual Parade and Main Street Mile along Main Street, the fireworks at Tantramar Regional High School, the Anything that Floats Race at Silver Lake and the Show N' Shine in the parking lot of Main Street Baptist Church will all be returning, and there may be a few new surprises as well.

A full schedule of events will be mailed to every mailbox with an E4L area code in early September, and we will regularly be updating our website and social media platforms leading up to the event.

Naturally, we cannot make any of this happen without your support. Enter a boat into the Anything that Floats Race, nominate a deserving Citizen of the Year, enter the parade, host an event or volunteer for something. You can find full details on how to do all of these things at www.sackville.com/fallfair or by contacting Town Hall at 364-4930.
