

The background is white and filled with numerous stars of varying sizes and colors (yellow, orange, and dark brown). Some stars are solid, while others are outlines. Several thin, vertical lines of different colors (yellow, orange, and dark brown) are scattered across the background, some appearing as single lines and others as short segments.

Drama Queenz

Spark Series

The **Drama Queenz** are a pre-teen theater troupe from Sackville, NB who burst onto the scene in the summer of 2023, debuting at Sappyfest 18. Passionate about performance, these thespian friends bring youthful exuberance and perspective to original musicals like *A Beep In Time* and *Chips! The Musical* with assistance from adult collaborators Magali Charron and Vincent Cacchione.

Their new musical *All Bottled Up* is a comic exploration of microbes living inside an unwashed water bottle and debuts at The Marshlight Theater this December.

supported by

harrismcshefferyfan I love this record for the diverse range of styles and feelings portrayed with sparkle, such as vibraphone sounds in addition to the usual guitar voice drums combo! This musical serves as a timely wake-up call to protect our one and only Planet Mother Earth! There's also well-placed grit in the production of this album, with lots of heart and soul energy from the youth and collaborators alike! Fresh music for the 21st century! I'm impressed with the creativity within the kids music genre!

Children's Safety in Tantramar

What

Our safe mobility within our community

When

Now

Where

Portion of Queens Road, Sackville, Tantramar

How

Installing a sidewalk and a bicycle lane

Existing country sidewalks

Existing problems:

- Trucks from the quarry as wide as the road
- School bus traffic
- Highway 106 traffic coming into Sackville
- Elementary school on Salem

High Volume of Pedestrians

- Families
- Children
- Elderly
- Customers from local Auto-shop (Blairlyn)
- Cyclists, runners and pedestrians

This part of Queens road is highly utilized by pedestrians and the only way to and from Sackville's amenities like Schools, libraries, groceries. The Elementary school and the middle school are both only 10 and 15 minute walk from where we live on Queens road.

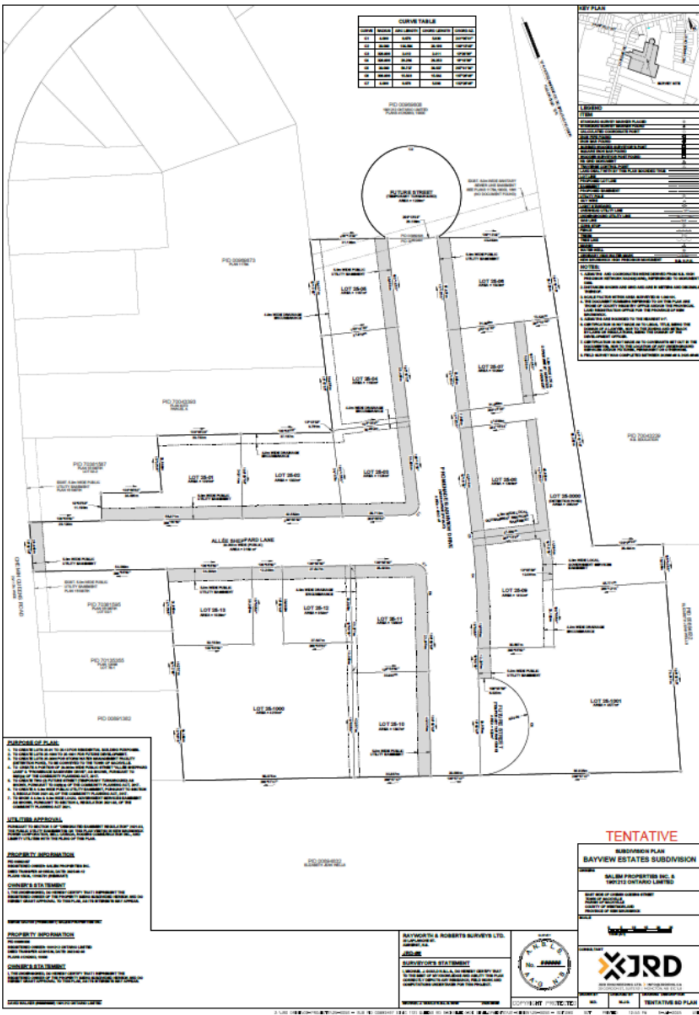

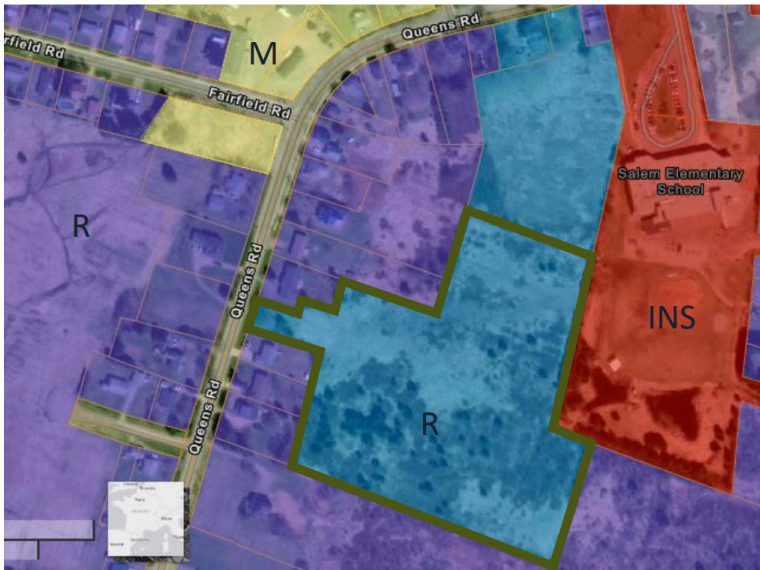

- We recently found out that a 15 lot subdivision is being built off Queens road. This will add a considerable amount of pedestrians on this part of the street.

Sche

Zoning Map / Carte de Zonage

Future Road Network Map

Main / Principal
1234 rue Main Street, Suite 200
Moncton, NB E1C 1H7
(506) 238-5386

Shediac
815A rue Bombardier Street
Shediac, NB E4P 1H9
(506) 533-3637

Tantramar
112C rue Main Street
Sackville, NB E4L 0C3
(506) 364-4701

Riverview
Operation
300 rue R
Riverview
(506) 382

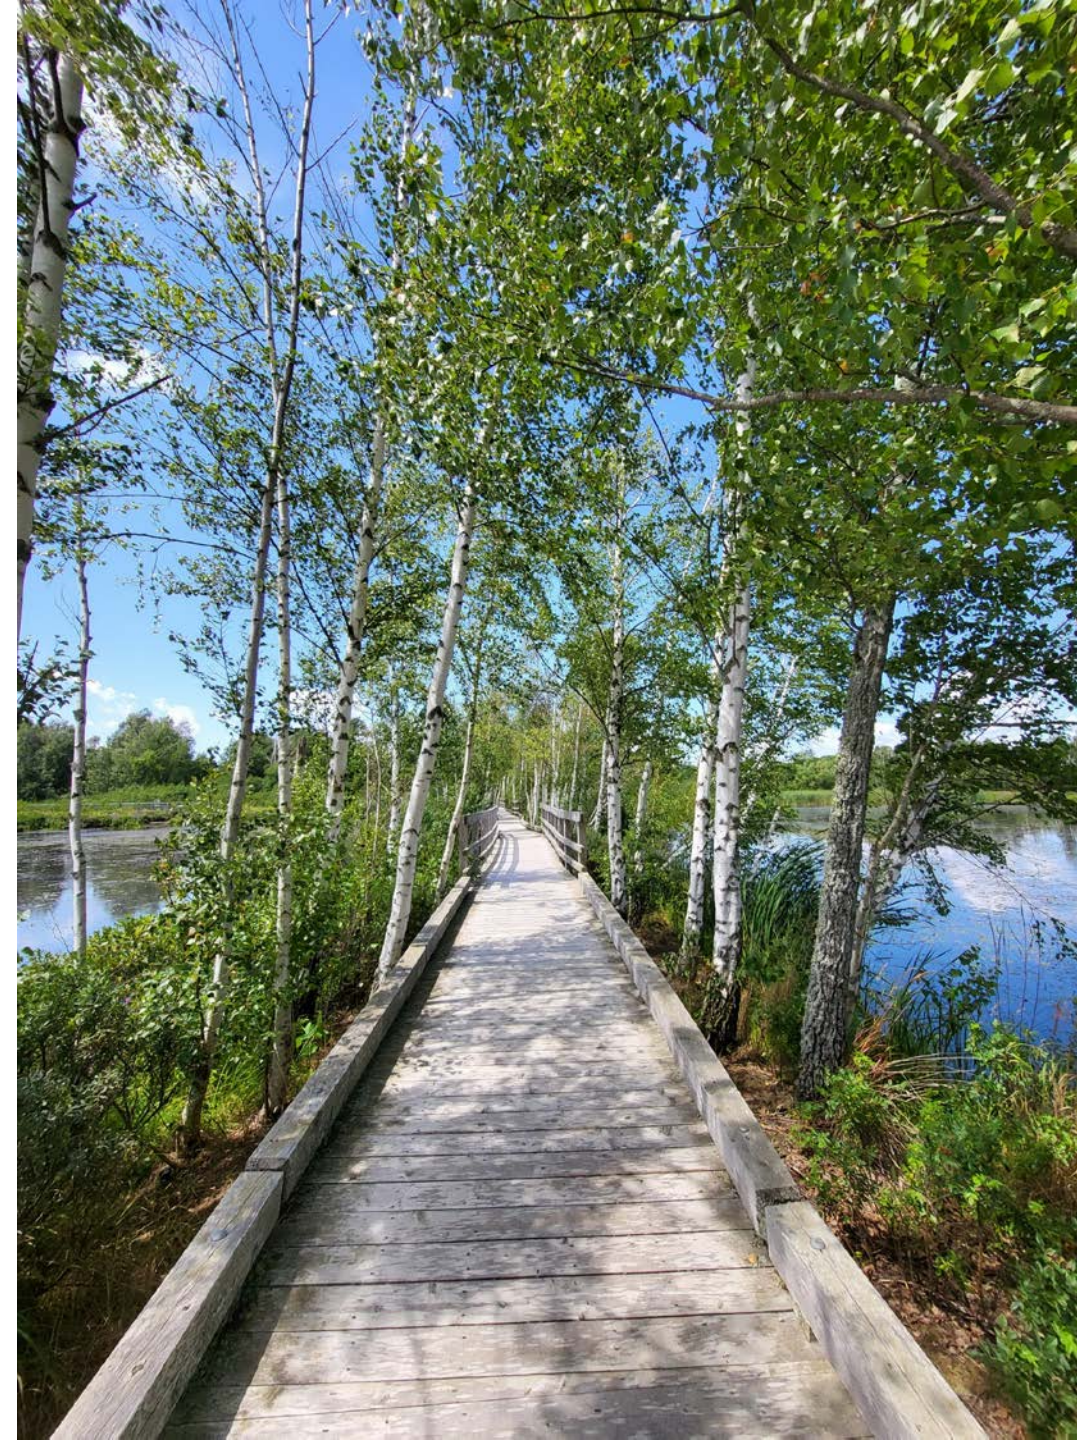

On this part of Queens road vehicles are supposed to go at 50k/h but this road is so large and straight, vehicles go much faster than the limit.

We think a sidewalk would slow the cars down and make it MUCH safer for our growing Sackvillian neighborhood.

Thank you!

“more than just a radio station
- we’re a community”

Tantramar Radio Community Impact

Platform for Local Voices

Tantramar Radio Community enables people from the Cumberland/Westmorland regions to share news, music, and events important to them.

Fostering Community Engagement

By highlighting regional stories and supporting local initiatives, the station strengthens connections and encourages community participation.

Volunteer-Driven Programming

Volunteers and contributors ensure diverse, vibrant programming, creating a valuable cultural resource for the Westmorland Cumberland areas.

Tantramar Community Radio, over the past ten years, have been actively growing but are now experiencing two basic issues:

- ▶ Maintaining a quality product, and
- ▶ Acquiring continuous sufficient funds.

We are a media that specifically serves our community, that's our mandate;

- ▶ Also there is no longer a print media and social media can be an unreliable source at times (we have many residents that only use radio as a source).
- ▶ We can serve as an information source for our Public, Mayors, Council Members, Staff, MLA's, MP's to speak to the community, on occasion, about upcoming events, activities with live or taped interviews

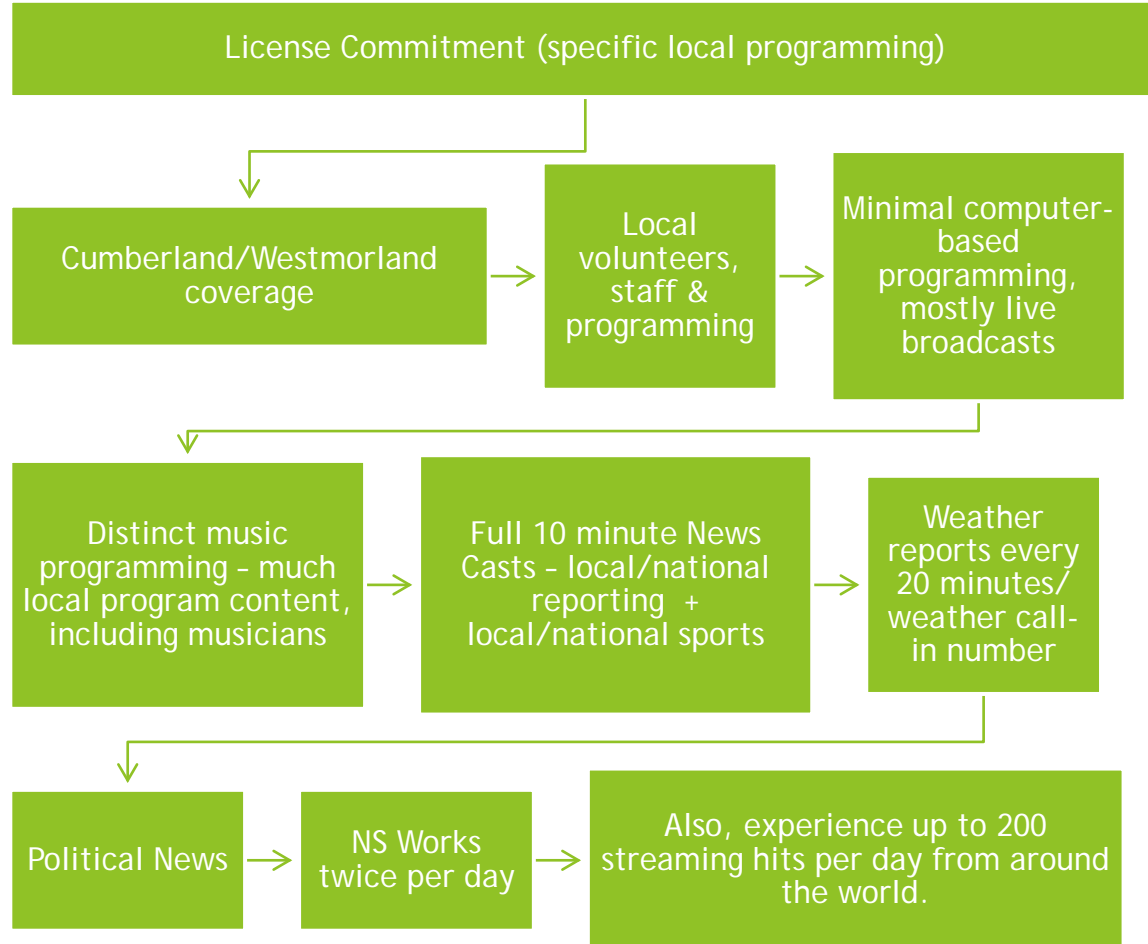

Operational Challenges and Funding Needs

- It is a challenge to not only keep our product maintained and up-to-grade but also paying staff a reasonable salary plus covering escalating expenses.

Community Support Efforts

- ▶ The following represent some of our community support efforts with no or some financial backing;
- ▶ Not asking for a 'gift', wish to offer a 'community service - partnership' without a hit on our own pockets.

Services (no priority), to quote a few:

- School closures
- Road Closures
- Road conditions, including local, provincial construction locations
- Island bridge status
- Power outages
- Remote broadcast local events
- Lost and Found
- COVID or like status
- Community events (Community PSA's frequently replace advertising)
- Music event coordination
- Community fundraising support

We are deeply rooted in and dedicated to serving the communities of Cumberland and Westmorland Counties.

We will absolutely continue to undertake the tasks mentioned but preferably with some financial assistance.

We are asking for \$5,000 to \$7,000 per year.

- We are asking for an **annual financial consideration** to assist with the cost of providing Community Services.

Need suggestions, advice, help.

Representative Board Members:

John Warner (chair),

Lisa Emery (station manager advisor & director),

Geoff DeGannes (director)

Full Board – Directors 2025/2026:

- ▶ John Warner (chair),
- ▶ Dave March (vice-chair),
- ▶ Lisa Emery (secretary),
- ▶ Geoff DeGannes,
- ▶ Roger Lorette,
- ▶ Chuck Pfinder,
- ▶ Mike Johnson,
- ▶ Orin Schwartz,
- ▶ Taylor Sisco

Thank You for Your Support

Gratitude for Your Engagement

We sincerely thank you for your time and attention, which motivates us to serve and improve.

Community Commitment

Our radio station is devoted to supporting and entertaining the local community with meaningful content.

Value of Your Support

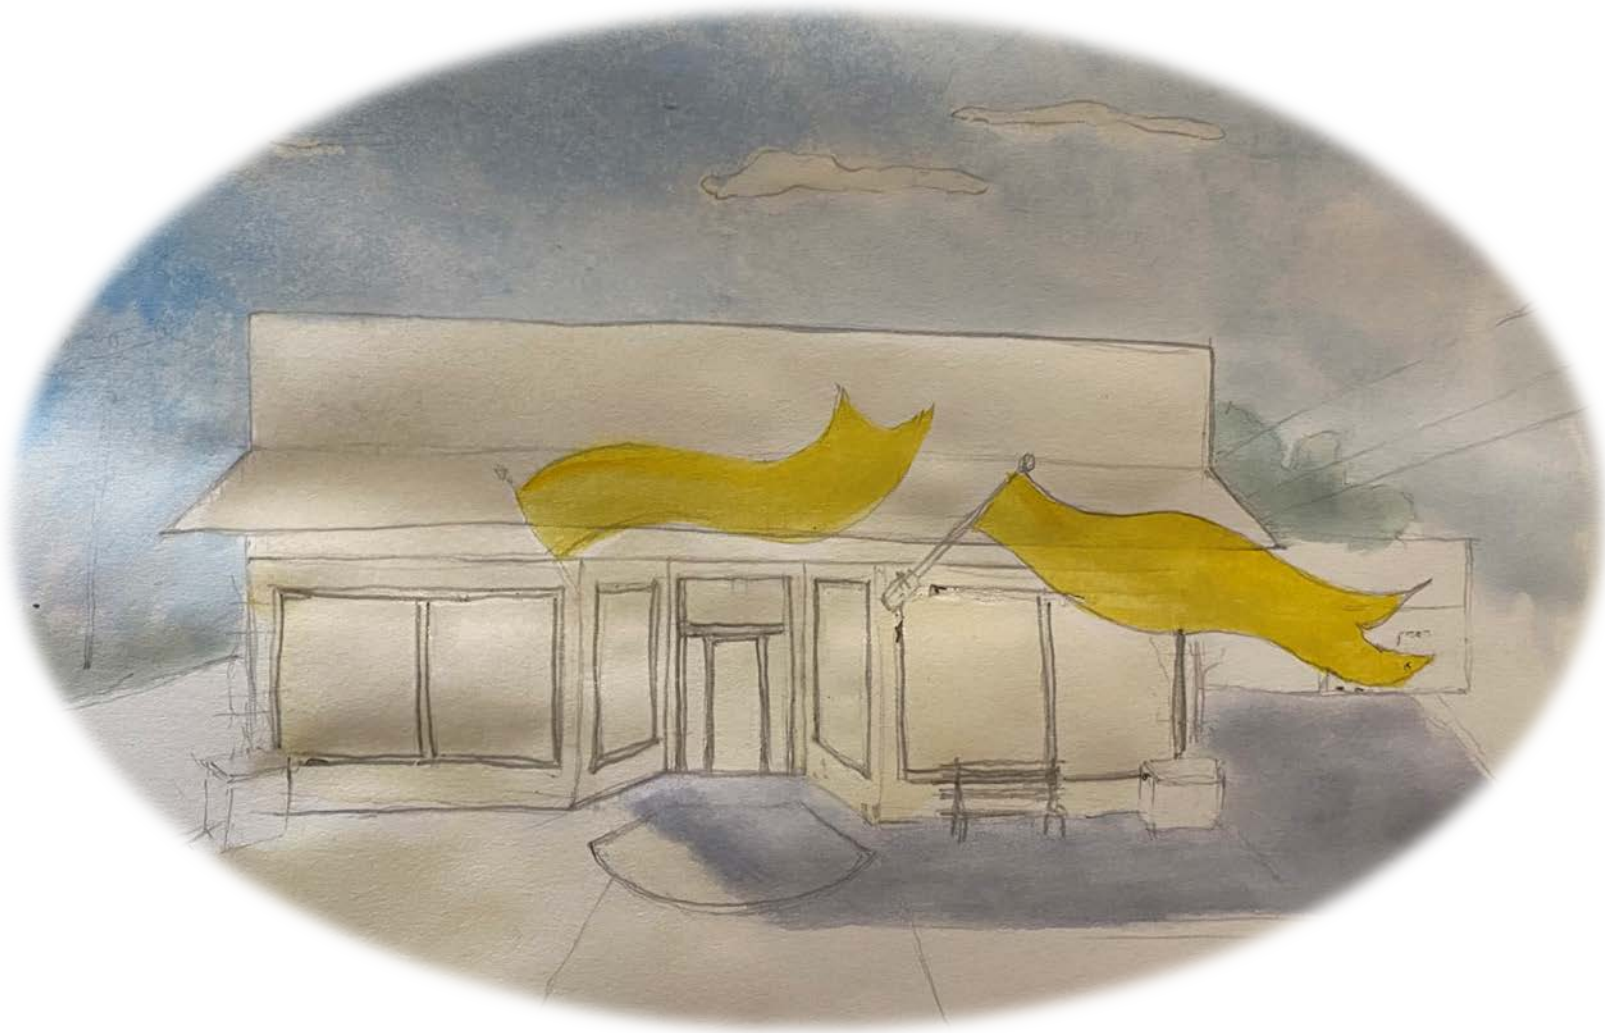

Your continued support helps us make a positive impact and keep our station thriving and beneficial.

EVERYBODY ALL TOGETHER

ARTIST COLLECTIVE

Located at 25 Lorne street, our venue is within walking distance to the downtown core, and within view of the retention pond walking trails.

Currently we have 11 members, including:

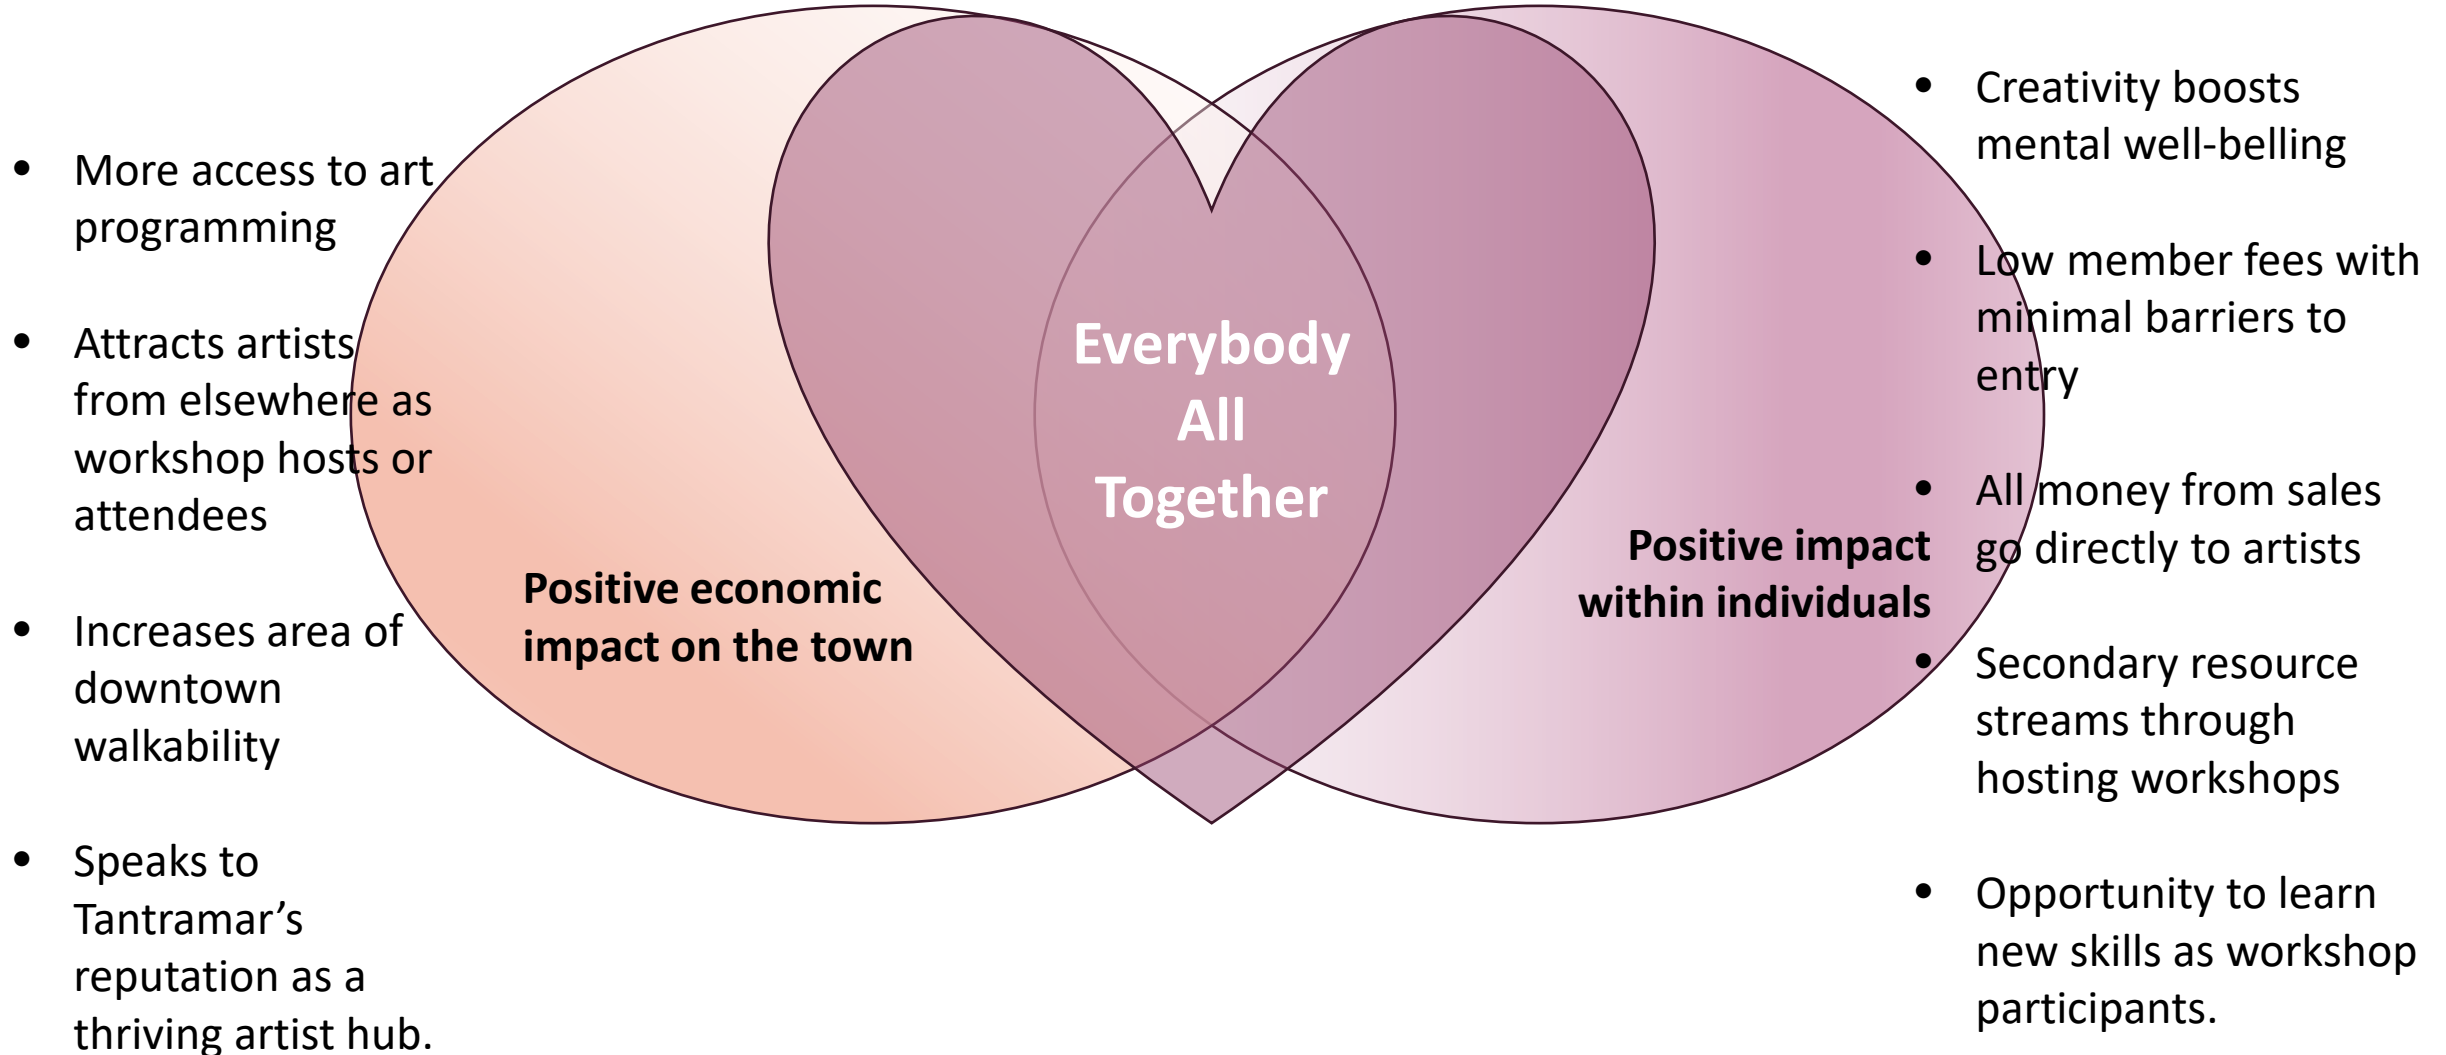

Three textile artists; one quilter, an embroiderer, and a clothing designer. There is a florist, an illustrator, a beader, a small jewelry maker, and four ceramicists and potters.

We have had interest from more potential members every day

Community Grant Proposal to Tantramar Council

Date: September 2025

About the Early Childhood Family Resource Centre (ECFRC)

The Early Childhood Family Resource Centre of Westmorland-Albert Inc. has been serving families in Southeastern New Brunswick for over 30 years. We are the only organization in the region offering free bilingual (English & French) prenatal sessions and a broad range of early childhood, parenting, and community support programs. Our focus is on creating stronger families and healthier communities through prevention, support, early intervention, and equity-driven services.

Proposed Programs in the Tantramar Region

With Council's support, we aim to strengthen and sustain the following initiatives for families in Sackville, Dorchester, and surrounding areas:

a) Sackville Playgroup (Long-Standing Program)

- Weekly play-based learning and socialization program for young children and their caregivers.
- Promotes early childhood development, family support, healthy lifestyle habits and parent networking.
- Long recognized as a vital community connection for families in Sackville.

b) Dorchester Active Kids

- Movement- and play-focused sessions encouraging physical activity in early childhood.
- Provides a safe, inclusive space for children to develop motor skills, confidence, and healthy habits.
- Builds community connections in a rural setting with limited programming options for families.
- Offered last year at the Dorchester Veterans Community Hall.

c) Car Seat Clinics

- Certified technicians provide safety checks and education on proper car seat installation.
- Reduces injury risks, supports low-income families with access to safe transportation for children.
- Offered at the Sackville Fire Department September 15, 2025 – rescheduled until October 20.

Community Impact

- Serves approximately 50+ families annually across Sackville, Dorchester, and surrounding areas.
- Strengthens early childhood development and parent capacity.
- Enhances family safety and health outcomes.
- Builds strong community connections and reduces isolation among caregivers.

Alignment with Tantramar Council Priorities

This proposal directly supports Tantramar Council's priorities of:

- **Community well-being:** Providing accessible programming for families and children.
- **Volunteerism and engagement:** Programs encourage parent involvement, volunteers and strengthen local networks.
- **Equity and access:** Services are free of charge, ensuring that vulnerable and rural families benefit.
- **Prevention and resilience:** Upstream investment in children and families reduces long-term social and health costs.

Request

We respectfully request a Community Grant of \$7,500 from Tantramar Council to:

- Sustain the long-standing Sackville Playgroup
- Continue the Dorchester Active Kids program
- Deliver car seat clinics across the region every 2-3 months

These funds will help cover program supplies including healthy snacks, materials, facilitator costs, travel, and outreach to ensure families in Tantramar continue to access high-quality, no-cost supports.

Conclusion

The Early Childhood Family Resource Centre is proud to serve Tantramar families. With Council's support, we can continue to provide safe, engaging, and developmental opportunities for children while strengthening parents' confidence and community belonging.

We thank Council for its continued commitment to community well-being and would be pleased to provide further details or present in person at the September 23, 2025 meeting.
